ENJOYING GOOD TIMES

Big Missouri Stockman Reports Farmers Receiving Good Prices for Farm Products

"Our section of Missouri is enjoying good times," stated Roy Dennis, from Wright county who was represented on the market today with two cars of stock. Farmers are receiving big prices for all kinds of live stock and also for their grain and are as a result in the most comfortable circumstances. There was one of the largest corn yields we have ever had and although a certain per cent was frost bitten a considerably larger than normal yield of good corn was realized. The live stock business is a little behind normal owing to the high price of feed and the fact that some of the old established feeders are laying down." —National Live Stock Reporter National Stock Yards, Ill.

A SAFE TEST

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by thousands of people.

E. D. Carpenter, retired druggist, 222 Main St., Mountain Grove, Mo., says: "Twelve years ago, while I was a druggist in Chillicothe, I had some trouble with my back and kidneys. My back was sore and lame and hurt me every time I tried to bend or stoop. My kidneys were out of order, and the kidney secretions were highly colored and unnatural. I felt all out of sorts. I had a number of different kidney remedies in my store, but I knew Doan's Kidney Pills were the best of all, so I began using them. They soon put my back and kidneys in good condition."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Carpenter had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—Adv.

Chamberlain's Tablets

Chamberlain's Tablets are intended especially for stomach troubles, biliousness and constipation, and have met with much success in the treatment of those diseases. People who have suffered for years with stomach trouble and have been unable to obtain any permanent relief, have been completely cured by the use of these tablets. Chamberlain's Tablets are also of great value for biliousness. Chronic constipation may be permanent, but cured by taking Chamberlain's Tablets and observing the plain printed directions with each bottle. —adv.

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffling, blowing; no more headache, dizziness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.

Insurance Company Officers

The Wright County Farmers' Mutual Fire Insurance Company held its annual meeting at Hartsville and elected F. A. Boat of Mountain Grove, L. R. Fritz of Fusion and J. M. Ward of Odin directors, five directors of the company holding over. The directors organized electing Mr. Boat president and A. C. Barton secretary-treasurer.

There was a good attendance at the meeting. Reports showed that \$65,000 new insurance had been written during the year, besides \$25,000 renewals. The company now has \$235,000 insurance in force.—Mountain Grove Herald.

The Springfield court of appeals handed down decisions in two Wright county cases. In the damage suit of Weatherman vs. Handy, for injury to a mare, the circuit court decided for Weatherman, but the appellate court reversed the decision. Handy's contention was that the man in charge when the injury occurred was not his agent. The second case was that of Tom Sherrill, convicted of the illegal sale of liquor and this was reversed and remanded because the lower court refused to grant a continuance. E. H. Farnsworth of this city was attorney on the winning side in both of these cases. Mountain Grove Journal.

Forest Home

Last week's items.

After a week of nice weather we got a rain something that has been needed a long time.

Ed Standard had some bad luck; he fell off of a load of cane day, hurting his right foot very badly so as to lay him up for a week or so.

Mr. Kemper of Mountain Grove made a trip to his farm 3 miles south of Norwood and while over here sold his rent corn to Ed Standard.

The writer has had it reported to him that John Smith is taking of renting another farm.

The Oak Forest school had their Thanksgiving program and was well attended by the parents and all enjoyed the afternoon. Mrs. Morgan, who is teaching the school, is well liked by all the children of the school.

We understand that Walter A. Kers of this place is in France, so Douglas county can say she has one young man in France already. Walter joined the army.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS

Eat less meat if you feel Backache or have bladder trouble—Take glass of Salts.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

In the spring We'll hope Walter gets all fine.

DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Sage Tea and Sulphur Darkens So Naturally that Nobody can tell.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value their hair, and color that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.

There was a auto load got off the Mountain Grove road Saturday night going 1 1/2 miles south and returning about 10 o'clock.

The Ladies Aid Society sold two quilts to Mrs. Willie Allen last week. We have some quilts on hand and being finished, good quilts, good muslin linings for \$3.25—which is very cheap at this time.

Harry Baker of near Denlow visited his uncle, Robt. Imhoff, from Saturday till Tuesday. He has applied for a patent on an attachment to a motor car which will give an alarm should anyone attempt to steal the car.

Mrs. Imhoff received a letter from her sister, Mrs. Ray Cox of Ed-rado, Kansas, stating they had struck oil on their land 12 feet under the surface than the one across the road from them which makes the owner \$600 per month. They did not know what the developments would be. Mr. Cox had a four acre tract inside the city limits which he has been selling off in lots which made him more than \$1,000 an acre.

He traded an 80-acre farm for this property at Ed-rado about three years ago.
